

Topology and link capacities	
Metric	Value
All links are bidirectional (yes/no)	Yes
Capacity installed: average per link	0.000
Capacity installed: total	0.000
Capacity installed (limited capacity links): average per link	0.000
Capacity installed (limited capacity links): total	0.000
Layer diameter (hops, km, ms)	3, 1600.000, 8.00
Node out-degree (max, min, avg)	3, 2, 2.667
Number of links	16
Number of nodes	6
